

CLCC \$scrip

You Can Help Your Church With the Purchase of \$scrip

CLCC's \$scrip program brings another way for you to support your church. \$scrip cards are gift cards and gift certificates. When you purchase \$scrip from CLCC, you are purchasing cards that your church has purchased at a discounted price from participating retailers. When you purchase these cards for the full face value, the discount - which ranges from 2% to 15% - is retained by Canyon Lake Community Church as revenue for the various ministries of CLCC.

The \$scrip program is effective because the CLCC families generate revenue through purchases they would make anyway. Groceries, clothing, toys, gifts, even gasoline can be purchased with \$scrip. Families that use \$scrip for these purchases can raise thousands of dollars per year for CLCC without spending any additional out-of-pocket dollars. Ministry at CLCC is and will be stronger for each person that participates in the program.

If you wish to print out a copy of the \$scrip order form, a link is provided below. The form can be filled out and brought to the \$scrip window on Sunday mornings or in the church office for your purchases. If you choose to make a special order, they would be ready for pickup on the following Wednesday. You can also go on-line to the Great Lakes Scrip Center. Using the PrestoPay link, you can place your order on this site. It would then be available in our office for pickup the following week.

If you have any questions about this program or would like to be involved selling \$scrip on Sunday mornings, please call Janine (244-1877, ext. 200).
